                                 *Fernandez, Paula (Aarau, CH)*

**14.30 h**                      **Coffee Break**

---

**14.45 – 15.45 h**      **case presentations**

---

- Chair:                      Manz, Markus (Zurich, CH)
- 14.45 h                      case presentation 1  
*Medinger, Michael (Basel, CH)*
- 15.00 h                      case presentation 2  
*Nair, Gayathri (Zurich, CH)*
- 15.15 h                      case presentation 3  
*Arn, Kornelius (Luzern, CH)*
- 15.30 h                      case presentation 4  
*Simonetta, Federico (Geneva, CH)*

**15.45 h**                      **Coffee Break**

---

**16.00 – 17.40 h**      **myeloid malignancies**

---

- Chair:                      Rovo, Alicia (Bern, CH)
- 16.00 h                      AML: posttransplant treatment  
*Stüssi, Georg (Bellinzona, CH)*
- 16.25 h                      CML: Interferon revival?  
*Burchert, Andreas (Marburg, G)*
- 16.50 h                      MPN: JAK Inhibition in PV  
*Theocharides, Alexandre (Zurich, CH)*
- 17.15 h                      MDS: Current Standards in diagnosis and Treatment  
*Passweg, Jakob (Basel, CH)*

**17.40 h**                      **End of day 1**

**Saturday, 10.10.2015****08.30 h**                      **Coffee**

---

**09.00 – 10.30 h**            **lymphoid malignancies**

---

Chair:                      Chalandon, Yves (Geneva, CH)

09.00 h                      ALL: IKZF1, NOTCH1 and MRD  
*Chalandon, Yves (Geneva, CH)*09.25 h                      CLL: is chemoimmunotherapy out?  
*Wendtner, Clemens (Munich, G)*09.50 h                      MM: IMWG criteria for MM (with focus on MRI)  
*Hillengass, Jens (Heidelberg, G)*10.15 h                      Hodgkin Lymphoma: current and future challenges  
*Lohri, Andreas (Liestal, CH)***10.40 h**                      **Coffee Break**

---

**11.00 – 12.30 h**            **Spotlight On**

---

Chair:                      Passweg, Jakob (Basel, CH)

11.00 h                      Leukemic stem cells: myth or reality?  
*Lengerke, Claudia (Basel, CH)*11.30 h                      MPN: JAK2 Mutation - 10 years later  
*Skoda, Radek (Basel, CH)*12.00 h                      Complement Inhibition  
*Schrezenmeier, Hubert (Ulm, G)*12.25 h                      Farewell  
*Heim, Dominik*

Stand: 7 September 2015, subject to modifications
